**STAFF COMMENTS AND BACKGROUND INFORMATION:**

On November 17, 2021, the City Council awarded a construction contract to Las Vegas Paving Corporation for \$7,770,000.00 for the Lamb Boulevard – Centennial Parkway to CC-215 Project. The work consisted of expanding Lamb Boulevard from two travel lanes (one lane in each direction) to six travel lanes (three travel lanes in each direction). The project also included installation of roadway, drainage, and traffic upgrades. The improvements included new AC pavement, roadway storm drain system, box culverts, concrete bus pads, median islands, curb, gutter, sidewalk, utility relocations, signage, striping, street lighting, traffic signal modifications, and all appurtenances required to complete a functional roadway system.

This project was completed on time and under budget. This project is now ready for final acceptance. Upon final acceptance of the Project, the Notice of Completion will be signed by the Mayor and recorded at the Office of the County Recorder.

Under the Contract, the Contractor was required to guarantee the work for one year, effective July 28, 2023.
