

2024 Excellence in Youth Sports Award

North Las Vegas is only the second city in Nevada to receive the NAYS Excellence in Youth Sports Award since its inception in 2000.

The City's dedication to youth sports is evident through innovative initiatives.

North Las Vegas has invested significantly in youth sports as part of its broader mission to enhance community health and well-being.

4th Annual PD Turkey Bowl

On Saturday, November 23rd, NLV PD hosted a spirited flag football game with local high school students, joined by former NFL tight end Xavier Grimsble and linebacker Brandon Marshall.

The officers and kids took this opportunity to come together for a great day of fun while putting a face to our badges.

The kids may have officially won the game, but as Chief Gravatt put it “our officers won in heart.”

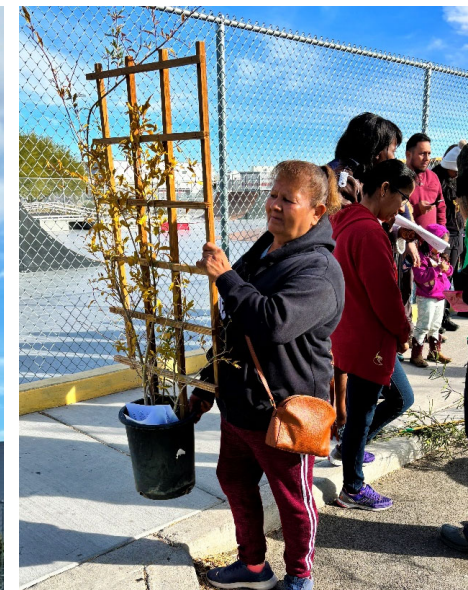

Community Tree Giveaway

In partnership with Nevada Plants, a local tree planting and advocacy non-profit, our City Parks and Recreation Department hosted a Community Tree Giveaway on Tuesday, November 19th.

We passed out 50 free trees to residents in Ward 1, around Bruce and Owens. Both shade trees and fruit trees were handed out to combat heat effects and food insecurity. The trees were gone in 30 minutes!

This program clearly resonates with the community, so we are already planning the next event!

Congratulations and great work by our Municipal Forrester Eddie Rodriguez!
