Re: Application for a franchise agreement pursuant to NLV Municipal Code Section 12.20.060

Dear Dr. Juden:

This letter shall serve as the application for a telecommunications franchise agreement with the City of North Las Vegas (the "City") pursuant to North Las Vegas Municipal Code Section 12.20.060 on behalf of CenturyLink of Nevada, LLC ("CenturyLink"), and an additional telecommunications franchise agreement on behalf of Level 3 Communications, LLC ("Level 3"), Level 3 Telecom of Nevada, LLC ("Level 3 Telecom"), and WilTel Communications, LLC ("WilTel") (CenturyLink, Level 3, Level 3 Telecom, and WilTel all collectively referred to as "Lumen").

Lumen seeks franchise agreements with the City to: construct, maintain, expand, and/or operate telecommunication facilities within the City right-of-way. In accordance with North Las Vegas Municipal Code Section 12.20.060(B), Lumen is providing a copy of the following with this application:

1. A copy of the Certificate of Public Convenience and Necessity issued to CenturyLink, Level 3, Level 3 Telecom, and WilTel by the Public Utilities Commission of Nevada **(all attached to the same email as this letter)**.
2. Currently, we are not aware of any non-affiliated persons that will be using Lumen's facilities to provide subscription service.

In accordance with NRS 709.060, Lumen is providing the following information:

1. Lumen is requesting a franchise agreement with the City for an initial term of seven (7) years and, thereafter shall have one renewal period of five (5) years.
2. Lumen anticipates conducting work in the city right of way in the future but has no immediate plans in motion delineating specific streets or areas in which construction would occur.

We request that this application and the franchise agreement be placed on the City Council agenda for consideration as soon as possible.

Thank you, in advance, for your assistance with this matter. Please let me know if you need any additional information.

Sincerely,

Ashely Rajamin
