**STAFF COMMENTS AND BACKGROUND INFORMATION:**

Flexential Colorado LLC (Flexential) hosts the City's core computer systems. Services provided by Flexential include housing thirteen cabinets of City computer equipment, electricity to power the equipment, cooling, environmental controls, and physical security. Flexential maintains, manages, and physically secures the facility on a 24-hour seven days a week basis.

The City entered into an agreement with ViaWest, Inc. n/k/a Flexential for colocation and power services in September 2014. That agreement allowed for two five-year renewals, the most recent of which was entered by the City in April 2024. Under this First Amendment, the City and Flexential would agree to an annual increase in the not-to-exceed amount due Flexential by \$23,928.48 (from \$189,082.56 to \$213,011.04) for a total increase of \$ 119,642.40 over the five years of the current agreement.
