The PROJECT is further described in Exhibit “A” which is attached hereto and by this reference incorporated herein.

SECTION II: PROJECT COSTS

The RTC agrees to provide funding for all costs associated with the PROJECT from the Regional Streets and Highways Fund as outlined below:

SECTION III: GENERAL

1. The title sheet of both the plans and specifications shall designate the RTC as the funding agency. If construction funds are provided by sources other than the RTC, the plans, contract documents, special provisions, and PROJECT signs shall also show the RTC as a funding agency.
2. Preliminary engineering, design, and right-of-way engineering shall be performed by the CITY or by a consultant employed by the CITY.
3. The design, construction, right-of-way acquisition, and contract administration of the PROJECT shall comply with the requirements as set forth in the current “Policies and Procedures” of the RTC.
