**STAFF COMMENTS AND BACKGROUND INFORMATION:**

The majority of the City's facilities' flooring and carpets need to be replaced. Mohawk Carpet Distribution, Inc. has been completing many flooring projects throughout the City and the City would like to maintain continuity and standardization of flooring product and design. Mohawk recently installed new flooring in a portion of the PD Records building. The rest of the building now needs to be completed with the same flooring. Thus, staff recommends Mohawk to perform these services at PD Records. Mohawk Carpet Distribution, Inc. is properly licensed and qualified to perform the work.
