STAFF COMMENTS AND BACKGROUND INFORMATION:

The City of North Las Vegas issued a Request for Proposals (RFP) seeking qualified respondents to operate the Dolores Huerta Resource Center (DHRC), an integral community hub designed to serve various social and community needs within the City. The RFP was made available to the public to ensure a fair and competitive selection process.

Upon the RFP's closing, CPLC Nevada, Inc. was the sole respondent. After careful review of their proposal, City staff determined that CPLC Nevada, Inc. meets the necessary qualifications and aligns with the City's objectives for the operation of the DHRC. As such, staff recommends that the contract to operate and manage the DHRC be awarded to CPLC Nevada, Inc.
