STAFF COMMENTS AND BACKGROUND INFORMATION:

Francis Uhlmer asserted a claim for damages against the City arising from injuries he suffered during an incident wherein he was riding his bicycle and fell into an opening in a sidewalk (Case No. A-22-854539-C). Taking all factors into account and in order to eliminate any potential risk of an adverse verdict and to save money on further defending this matter, it is recommended that the City Council approve the proposed settlement and also authorize the City Manager or her designee to execute any ancillary documents necessary to effectuate the settlement.
