

## Exhibit A

### SCOPE OF WORK NORTH 5<sup>th</sup> AND CHEYENNE AVE PROJECT

The project consists of the construction of intersection improvements and traffic signal modifications at the intersection of North 5<sup>th</sup> St and Cheyenne Ave. (SR 574). The intersection improvements will include dual left turn lanes on North 5<sup>th</sup> St and dedicated right turn lanes on Cheyenne Ave. and North 5<sup>th</sup> St. The location of the PROJECT is depicted on the attached drawing.
