STAFF COMMENTS AND BACKGROUND INFORMATION:

In November, 2022 City Council approved the Professional Services Agreement with Horrocks Engineers, Inc. to design a pile-grade beam system to address the differential settlement that has occurred at Fire Station 53. This design was completed and advertised for construction bids in August, 2023.

One bid was received at the public bid opening held on October 11, 2023. CMMCM LLC dba Muller Construction submitted the lowest responsive bid of \$2,638,667.65 and is properly licensed and qualified to perform the work.

The Project is required to be completed within 210 days following issuing of the Notice-to-Proceed. This project is funded by Public Safety Project – Fire Fund.
