**STAFF COMMENTS AND BACKGROUND INFORMATION:**

The Fire Station 53 West Structural Remediation Project consists of excavation, demolition, leveling, underpinning using a pile/grade beam system, and all other appurtenances as required for the existing Fire Station 53 building located at 2804 W. Gowan Road, North Las Vegas, NV 89032.

Change Order No. 1 is required due to unforeseen conflicts discovered during construction of the Fire Station 53 Project. Funds will be reallocated from Street Maintenance Funds to the Public Safety Project – Fire Funds to complete construction. The remainder of the reallocated funds will be used for other required construction needs, such as Amendments to the Professional Services Agreements for both Construction Phase Support from the Design Consultant and Construction Management of the Project.

This project is funded by Public Safety Project – Fire Fund.
