

Parks and Recreation 268 Fund Overview

The 268 fund is a North Las Vegas voter approved property tax override

Parks and Recreation improvements were voter approved and added to the 268 fund in 2001.

The fund has assisted the department for 23 years to improve parks, trails, pools, and recreation centers.

The fund is important to maintaining city Parks and Recreation amenities for residents and the community to enjoy North Las Vegas parks, trails, recreation centers, and aquatic facilities.
