**RE: Zone Change for APN# 139-14-103-001**

**To whom it may concern:**

Please accept this letter of intent for the proposed Property Reclassification of the northwest corner of E. Brooks Ave. and Fort Sumter Dr. (APN: 139-14-103-001). We respectfully ask for your approval of the following:

- **Property Reclassification:** Rezone from C-1 (Neighborhood Commercial) to Business Park Industrial (M-1).

The proposed site will be used as a commercial storage yard. Small axle trailers and vehicles will be light equipment rental storage on the property. We are proposing a 6'-0" tall CMU wall to help with screening as well as landscaping along the street frontage. The site will be accessible via a driveway along E. Brooks Ave. There is an existing billboard that the city allowed to be put into a right-of-way; this billboard causes constraints with the amount of usable space on the site; however, for now, it will remain in the area located outside of the southwest corner of the parcel.

In addition, we would like to contribute to the overall improvement of the neighborhood by ensuring the property is well-kept. Our proposed improvements aim to deter transient activity by enhancing the security and functionality of the site. This includes efficient fencing and security measures to eliminate the ongoing issue of trash dumping in the area.

We thank you in advance for your consideration and look forward to working with Staff to complete the process.

Sincerely,

**Alexis Evans**

Agent for Applicant
