**STAFF COMMENTS AND BACKGROUND INFORMATION:**

Senate Bill 448 enacted during the 2021 Nevada legislative and the associated regulation ordered by the Public Utilities Commission of Nevada (21-9004) authorized the Economic Recovery Transportation Electrification Program (ERTEP), which allows NV Energy to offer programs for the development of infrastructure for electric vehicle charging. Under ERTEP, the City will host charging sites at North Las Vegas City Hall located at 2250 Las Vegas Blvd. N. and Neighborhood Recreation Center located at 1638 N. Bruce St. Approval of this Charging Station Site Host Agreement with NV Energy will allow for the construction and completion of the project as approved.

Pursuant to NRS 268.061, this Agreement is being entered into between the City and NV Energy, a public utility, for a public purpose.
