STAFF COMMENTS AND BACKGROUND INFORMATION:

Pursuant to NRS 388G.630, Region 1 Regional and Associate Superintendents of the Clark County School District (CCSD) are required to provide a report in person, not less than quarterly, to the governing body of each city and county within which a local school precinct to which he or she is assigned to oversee is located.

NRS Chapter 388G deems each public school within the CCSD, with certain exceptions, to be a local school precinct and provides for the transfer of authority to carry out certain responsibilities on behalf of CCSD to local school precincts. Each public school is designated as its own local school precinct and is responsible for operating the school using site-based decision making.
