STAFF COMMENTS AND BACKGROUND INFORMATION:

This is an annual purchase of turnout (structural firefighting) gear for Fire Department personnel based on NFPA and OSHA standards. This is a not to exceed purchase agreement based on average annual purchases. This agreement is exempt from competitive bidding pursuant to NRS 332.115(1)(d) because it is equipment which, by reason of the training of the personnel or of an inventory of replacement parts maintained by the local government, is compatible with existing equipment and pursuant to NRS 332.115(3), which exempts from competitive bidding the purchase of personal safety equipment.
