STAFF COMMENTS AND BACKGROUND INFORMATION:

Impact NV 100,000 Tree Program goal is to plant 100,000 trees statewide before Earth Day in the year 2032. Other agencies in Nevada have partnered with ImpactNV to meet this goal. By planting trees and entering into this agreement, the City of North Las Vegas will be partnering with Impact NV to improve environmental sustainability in Nevada. The goal for City of North Las Vegas is to plant 5,000 trees (and likely more) before Earth Day 2032. Funding for the trees and planting will come from a variety of sources including: Impact NV; City of North Las Vegas Municipal Forestry Grant; Park Division operating funds, CIP funds, and other sources.
