***Re: Zone Changes and Tentative Map for the Villages at Tule Springs Parcel 1.25  
(APN: 124-15-810-001) and Parcel 1.26 (APN: 124-15-810-002)***

Dear Duane:

Our office represents D.R. Horton (the "Applicant"), the Village Developer for Village 1 at the Villages of Tule Springs. The Applicant is requesting a zone change on what is known as Parcel 1.25 from RZ10 MPC, Residential Zoning up to 10 DU/AC and RZ13 MPC, Residential Zoning up to 13 DU/AC to R-2 / PCD, Medium-High Density Residential / Planned Community District. The Applicant is also requesting a zone change on what is known as Parcel 1.26 from RZ10 MPC, Residential Zoning up to 10 DU/AC to R-2 / PCD, Medium-High Density Residential / Planned Community District. The two zone changes and accompanying tentative map will allow for the development of 349 attached single family homes with an overall density of 12.90 unit/acre. Parcels 1.25 and 1.26 are master planned for Medium-High Density Residential within the Villages at Tule Springs, which allows up to 14.9 units/acre.

The proposed tentative map provides access from Tule Springs Parkway with a park at the entryway (AP 1.09). There is a combination of 3-plex units and 4-plex units to the west and the east of the entryway of the development. All of the units within the development will have a minimum of three bedrooms. The minimum interior lot size is 1,370 square feet and the minimum edge lot size is 1,750 square feet. There will be ample open space (in addition to AP 1.09) with 247,481 square feet provided where 209,400 square feet is required. Immediately east of the project, there will also be a larger community park (CP 1.02). There is also ample parking with 897 parking spaces where 873 parking spaces are required.

A Minor Modification is currently under review that would allow for the design and product type proposed for this project, similar to the design of Parcel 1.08 within the Villages at Tule Springs. Overall, the proposed project complies with the plan and guidelines for the Villages

at Tule Springs and will add a variation of housing options along the eastern side of Village 1 at the Villages at Tule Springs.

Thank you for your consideration of this application. Please give me a call at (702) 792-7045 if you have any questions.

Very truly yours,

## NEIGHBORHOOD MEETING SUMMARY

DR Horton – Villages of Tule Springs  
Parcels 1.24 – 1.26  
August 15, 2023

On August 15, 2023, Misha Ray of Kaempfer Crowell hosted a neighborhood meeting at the Aliante Library for parcels 1.24, 1.25 and 1.26 within the Village of Tule Springs to discuss a proposed zone change, tentative map, and modifications to the Development Agreement.

Two neighbors attended the meeting. Following a presentation of the application, neighbors posed questions relating to timeline for development, product types, and general questions relating to development in Tule Springs. The neighbors did not express opposition to the application.

No liability is assumed for the accuracy of the data delineated herein. Information on roads and other non-assessed parcels may be obtained from the Road Document Listing in the Assessor's Office.
