**STAFF COMMENTS AND BACKGROUND INFORMATION:**

Parks and Recreation seeks to replace the mobile sound system for Craig Ranch Regional Park and citywide events. In November 2023, Purchasing conducted RFP 2023-009 to solicit proposals from vendors for these materials, including D&B Audiotechnik B-Stock PA System Equipment and installation services. There were two respondents; Solotech US Corporation and 3G Productions LLC. 3G Productions was the highest scoring and most responsible bidder for these services and staff recommends awarding the contract to 3G Productions. 3G Productions is properly licensed and qualified to supply deliver and install the materials. CIP Project No. CIP10617.
