STAFF COMMENTS AND BACKGROUND INFORMATION:

This First Amendment to Total Restatement of Ambulance Services Franchise Agreement (“First Amendment”) revises the rate structure that is contained in Section 19 of the First Amendment and Total Restatement of Ambulances Services Franchise Agreement (“Restated Franchise Agreement”). Additionally, the First Amendment removes the concept of the Franchisee operating ambulance units not leased by the City and removes all references to Franchisee-Operated Units throughout the Restated Franchise Agreement. The First Amendment provides for the leasing of units and personnel to supplement ambulance service
