

SCHEDULE 1: BASIC SOFTWARE APPLICATIONS, REPORTS, AND SYSTEMS SERVICES

The Las Vegas-Clark County Library District (LVCCCLD) will make available the following baseline features and services:

- Configuration of the System policy file for the Contract Library environment.
- Ability for Contract Library to add or edit any of its items associated with an existing LVCCCLD bibliographic record.
- Basic Web Catalog with default sort set to the Contract Library system.
- Circulation control of materials using System features.
- Contract Library may elect to start or cancel publication of any/all notices. Notices include:
 - Overdue
 - Holds notification (pick up and cancellation)
 - Billing (bills and fines)
 - Courtesy
 - Bib Paging List
 - Item Paging List
 - Statement of Charges

Contract Library will have access to the Management Reports Website in which reports can be generated.
