STAFF COMMENTS AND BACKGROUND INFORMATION:

The City solicited price list quotes from three vendors (J & J Enterprises, Terra Contracting, and 4G Concrete LLC). J & J Enterprises and Terra Contracting submitted price list quotes but 4G Concrete LLC was non-responsive. J & J Enterprises Services, Inc. was selected as the secondary backup vendor to perform Citywide concrete repair services. The concrete services will be used for citywide repair projects and emergency purposes.

Public Works, Roadway Division would like to select both Terra Contracting and J & J Enterprises to perform this work. This is due to the high volume of citywide repairs.
