The Craig Road Pedestrian Bridge at the Upper Las Vegas Wash project consists of a pedestrian bridge, ramps, signage, striping, utility relocations, curb, gutter, sidewalks, and other appurtenances as necessary to construct a complete and functional project.

One bid was received and opened at the Bid Opening held on June 18, 2024.

After a detailed analysis of the bid and applicable requirements, City staff has determined that the public interest would be best served by rejecting the bid and advertising for new bids.

Therefore, City staff recommends Council reject all bids for Bid No. 1691.
