**STAFF COMMENTS AND BACKGROUND INFORMATION:**

The North Las Vegas Municipal Court, pursuant to NRS 178.415, is required to have competency evaluations for defendants pending criminal charges performed by a licensed psychiatrist, psychologist, psychiatric social worker, advanced practice registered nurse with psychiatric training and experience prescribed by the State Board of Nursing pursuant to NRS 632.1200, or other persons especially qualified by the Department of Health and Human Services to conduct competency evaluations.

The Court has seen the need for competency evaluations increase dramatically in recent years. Currently, the Court requires approximately ten competency evaluations per week. The Court has an existing contract with a counseling agency but due to the number of evaluations required an additional service provider is required.
