STAFF COMMENTS AND BACKGROUND INFORMATION:

The existing Siemens Fire Alarm System at the Community Correctional Center C-Dorm is outdated and failing. Three quotes were requested and obtained per the City’s purchasing policy to replace this antiquated system. Ace Fire Systems, LLC submitted their proposal for \$67,450.00 to supply and install the new fire alarm system. Supreme Fire Protection submitted a proposal for \$76,300.00 and Siemens Industry, Inc. submitted a proposal for \$156,784.00.

Ace Fire Systems, LLC was the lowest responsive and responsible bidder for these services. Ace Fire systems is properly licensed and qualified to perform the work. Staff recommends approving this agreement. This project will be funded by Building Maintenance CIP25021 FY 23/24.
