STAFF COMMENTS AND BACKGROUND INFORMATION:

Approval of the agreement will allow the Utilities Department to purchase required office furniture for the Department's Fort Sumter office location. FACILITEQ NV, LLC currently has a contract with the City of Las Vegas and has agreed to allow the City of North Las Vegas to purchase furniture and installation services under the same terms, conditions, and prices of the Las Vegas agreement.

The furniture and floor plan layout at Fort Sumter is more than 20 years old and does not support current manpower and workforce needs. This contract will be used to re-configure the layout to meet current and future departmental needs.
