In March 2024, the City conducted Bid Number B-1717 for Water Reclamation Facility (WRF) compliance testing and water health sample testing. MDK, LLC dba Western Environmental Testing Laboratory was the lowest responsive vendor which also demonstrated the ability to provide the required services.

This service agreement with Western Environmental Testing Laboratory will allow the City to continue to meet the Nevada Department of Environmental Protection requirement for certified laboratory testing results for wastewater and water compliance.

Staff recommends that the City Council award Bid B-1717 to Western Environmental Testing Laboratory, approve the Services Agreement with Western Environmental Testing Laboratory in the total amount of \$763,925 (\$152,785 per year for 3 years with two optional one-year extensions, and authorize the City Manager to extend the agreement for the two one-year option periods, at her discretion.
