Provider shall defend, indemnify, and hold harmless the City, and its officers, agents, and employees from any liabilities, claims, damages, losses, expenses, proceedings, actions, judgments, reasonable attorneys' fees, and court costs which the City suffers or its officers, agents or employees suffer, as a result of, or arising out of, the negligent or intentional acts or omissions of Provider, its subcontractors, agents, and employees, in performance of this Agreement until such time as the applicable statutes of limitation expire. This section survives default, expiration, or termination of this Agreement or excuse of performance.

SECTION SEVEN
INDEPENDENT CONTRACTOR

All City approvals are intended only to provide the City the right to satisfy itself with the quality of the Services performed by Provider. The City acknowledges and agrees that Provider retains the right to contract with other persons in the course and operation of Provider's business and this Agreement does not restrict Provider's ability to so contract.

SECTION EIGHT

8.1. Provider shall treat all information relating to the Services and all information supplied to Provider by the City as confidential and proprietary information of the City and shall not permit its release by Provider's employees, agents, or subcontractors to other parties or make any public announcement or release thereof without the City's prior written consent, except as permitted by law.

9.1.4. Professional Liability (errors and omissions): Insurance appropriate to the Provider's profession with limit no less than $2,000,000.00 per occurrence or claim, $4,000,000.00 aggregate.

9.1.6.4. Waiver of Subrogation: Provider hereby grants to the City a waiver of any right to subrogation which any insurer of said Provider may acquire against the City by virtue of the payment of any loss under such insurance. Provider agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

9.1.6.5. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Provider, its employees, agents, and subcontractors.

9.1.6.6. Self-Insured Retentions: Self-insured retentions must be declared to and approved by the City. 9.1.6.8.1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

9.1.6.8.2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

9.1.6.8.3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Provider must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

9.1.7. Verification of Coverage: Provider shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Provider's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

9.1.8. Special Risks or Circumstances: The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

13.39. Records and Auditing. Provider shall maintain accurate and complete books, documents, accounting records and other records pertaining to the goods and services for six (6) years (or longer as required by applicable law) from the later of the date of final payment under this Purchase Order or the City's acceptance of the goods and services. Provider shall make such records available to the City for inspection, audit, examination, reproduction, and copying at Provider's offices at all reasonable times. However, if requested, Provider shall furnish copies of said records at its expense to the City, within seven (7) business days of the request.

13.40. Remedies. Contracts for more than the Federal simplified acquisition threshold which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Pursuant

to this rule, when Federal funds are expended by the City, the City reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

13.41. Termination for Cause and for Convenience. When Federal funds are expended by the City, City reserves the right to immediately terminate any contract in excess of the Federal Micro-purchase threshold resulting from the procurement process in the event of a breach or default of the agreement by Vendor, in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; 2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The City also reserves the right to terminate the contract immediately, with written notice to the Vendor, for convenience, if City believes, in its sole discretion that it is in the best interest of the City to do so. Vendor will be compensated for work performed and accepted and goods accepted by the City as of the termination date if the contract is terminated for convenience of City. Any award under the procurement process is not exclusive and the City reserves the right to purchase goods and services from other vendors when it is in the best interest of the City.

13.42. Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60-1.4(b), in accordance with Executive Order 11246, Equal Employment Opportunity (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, Amending Executive Order 11246 Relating to Equal Employment Opportunity, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).

13.43. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146- 3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to

which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

13.44. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

13.45. Rights to Inventions made under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Further, the contractor agrees to report each violation to the City and the City will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. Finally, the contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

13.47. Suspension and Debarment.

13.47.1. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the Provider is required to verify that none of the Provider's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. §

13.47.4. This certification is a material representation of fact relied upon by the City. If it is later determined that the Provider did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The Provider agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C throughout the term of this contract. The Provider further agrees to include a provision requiring such compliance in its lower tier covered transactions.

13.48.1.3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

13.49. Procurement of Recovered Materials. When Federal funds are expended by the City, the City and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.
