STAFF COMMENTS AND BACKGROUND INFORMATION:

The City of North Las Vegas sought proposals from qualified respondents to provide non-consent towing services within the City’s jurisdiction in accordance with all applicable federal, state, local laws and ordinances.

The current agreement for abandoned vehicle towing is set to expire on January 31, 2024. In anticipation of expiration of the contract, the City published a Request of Proposal (RFP) for towing services with the anticipated start date of February 1, 2024. There were three respondents to the RFP. After reviewing the proposals, staff selected Ewing Bros. Inc. as the most responsive bidder and in staff’s opinion will provide the towing services needed in a timely and professional manner.
