The length for the Par 3 ball golf is not intimidating, there are no artificial hazards, and the small greens present a challenge to the more accomplished players. The professionally-designed disc golf course offers challenges that every disc golfer wants.

The course is well maintained and offers gently rolling terrain with many mature trees and a great view of the Las Vegas Valley. The course was the first lighted course in Nevada. There is a small coffee shop and pro shop located in the clubhouse offering beverages and snacks.
