

**NORTH LAS VEGAS CITY COUNCIL
AGENDA ITEM**

Number: **27**

SUBJECT:

Approval to purchase a ballfield lighting system for Petitti Park (materials only), in the amount of \$233,000, from Musco Sports Lighting, LLC, using a competitive bidding exception, per NRS 332.115.

REQUESTED BY:

Mike Henley, Director of Parks and Recreation

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council authorize issuance of a purchase order to acquire the subject lighting system.

FISCAL IMPACT:

Amount: \$233,000

Explanation:

There is adequate appropriation in the CDBG Fund Account

ACCOUNT NUMBER:

413-700521-450540

STAFF COMMENTS AND BACKGROUND INFORMATION:

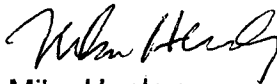

This request is for purchasing a lighting system which will be installed during the renovation of Petitti Park. Included in the scope of work for Petitti Park renovation will be the installation of owner-furnished materials. The park is used to accommodate league play, sporting events, and everyday use when an artificial light source is necessary. The same lighting system is installed in all City Parks, and is also specified for new park construction.

Pursuant to NRS 332.115 1.(a), the lighting system may be purchased from Musco without competitive bidding because Musco is the sole source.
