

**AGREEMENT TO PURCHASE
NINE TYMCO MODEL 600 SWEEPER AND CAB/CHASSIS EQUIPMENT UNITS
PURSUANT TO SOLICITATION BY A COOPERATIVE PURCHASING
ORGANIZATION**

This Agreement to Purchase Nine TYMCO Model 600 Sweeper and Cab/Chassis Equipment Units Pursuant to Solicitation by a Cooperative Purchasing Organization (“Agreement”) is made and entered into as of _____ (the “Effective date”) by the City of North Las Vegas, a Nevada municipal corporation (“City”) TYMCO, Inc., a Corporation organized and existing under the laws of the State of Texas, having its principal office located at 225 E. Industrial Blvd., Waco, TX 76705 (“Provider”).

RECITALS

WHEREAS, the City desires to obtain services from Provider under the terms and conditions set forth in that certain contract number #122017-TYM for Street Sweeper Equipment entered into between Sourcewell, and Provider effective February 19, 2018, with its attendant contract documents, attachments, and exhibits (collectively, the “Original Contract”), a copy of which is attached hereto as Exhibit A;

WHEREAS, NRS 332.195(1)(c) permits the City to enter into a contract pursuant to a solicitation by a cooperative purchasing organization with the authorization of the contracting Provider;

WHEREAS, Provider can provide the goods that the City seeks at the rates set forth under the Original Contract; and

WHEREAS, the City desires to purchase nine (9) TYMCO Model 600 Sweeper and Cab/Chassis Equipment Units as detailed in the Provider’s Quote (“Quote”), dated December 22, 2022, a copy of which is attached hereto as Exhibit B; and

WHEREAS, the City and the Provider intend to enter into an agreement using the terms, conditions and specifications of the Original Contract, unless otherwise amended as provided herein.

NOW THEREFORE, for the mutual promises contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency the parties acknowledge, the parties agree as follows:

**SECTION ONE
AFFIRMATION OF ORIGINAL CONTRACT**

1.1. The City and the Provider agree to use the Original Contract so that the City may purchase the services under the same terms and provisions as the Original Contract, provided that to the extent the terms of the Original Contract conflict with the terms of this Agreement, the terms

of this Agreement shall govern and the conflicting terms of the Original Contract shall be considered null and void and not applicable to this Agreement.

1.2. As required pursuant to NRS 332.195, the Provider hereby authorizes and consents to the City using the terms, conditions and covenants of the Original Contract as the basis for this Agreement.

1.3. Wherever the term “Sourcewell” appear in the Original Contract, the parties deem such terms to mean the “City” or “City of North Las Vegas.”

SECTION TWO ADDITIONAL PROVISIONS TO ORIGINAL CONTRACT

The parties agree to be bound by the following provisions:

2.1. The term of this Agreement shall commence on the Effective Date and continue until the Products are received, inspected, and accepted by the City (“Term”), unless earlier terminated in accordance with the terms herein. The price per vehicle shall be Three Hundred Twenty Thousand, One Hundred Forty Dollars and 00/100 (\$320,140.00) for a total contract amount of Two Million, Eight Hundred Eighty-One Thousand, Two Hundred Sixty Dollars and 00/100 (\$2,881,260.00). The prices in the Original Contract shall remain in effect for the duration of this Agreement. No additional compensation shall be paid, and no increase in the time of performance shall be awarded to the Provider for changes referenced in this Agreement without the prior written authorization of the City to proceed with such changes.

2.2. Payment to the Provider shall be made within thirty (30) calendar days after the City receives each invoice provided by the Provider to the City, provided that such invoice is complete, correct, and undisputed by the City, and that it contains the following information: a detailed description of the services and/or goods provided and any additional information requested by the City. Upon reconciliation of all errors, corrections, credits, and disputes, payment to the Provider will be paid in full within 30 calendar days. Invoices received without a valid purchase order number will be returned unpaid. The Provider shall submit the original invoice to:

City of North Las Vegas
Attention: Accounts Payable
2250 Las Vegas Blvd. North, Suite 710
North Las Vegas, NV 89030

2.3. Notices. All notices, demands, requests, consents, approvals, and other instruments required or permitted to be given pursuant to this Agreement shall be in writing and signed by the notifying party, or officer, agent or attorney of the notifying party, and shall be deemed to have been effective upon delivery in writing if served personally, including but not limited to delivery by personal delivery, by overnight courier service, by facsimile or by overnight express mail, or upon posting if sent by registered or certified mail, postage prepaid, return receipt requested, and addressed as follows:

To City: City of North Las Vegas
Attention: Brittany Contardi
2250 Las Vegas Blvd., North, Suite 820
North Las Vegas, NV 89030
Phone: 702-633-1463

To Provider: TYMCO, Inc.
Attention: Kaye Morgan
225 E Industrial Blvd
Waco, TX 76705
Phone: 254-799-5546

2.4. The address to which any notice, demand or other writing may be delivered to any party as above provided may be changed by written notice given by such party as above provided.

2.5. The Provider agrees that it has procured and maintained the general liability insurance and all other insurance required pursuant to the Original Contract, including general liability insurance with not less than \$1,000,000 policy limits per occurrence.

2.6. The Provider shall defend, indemnify, and hold harmless the City, and its officers, agents, and employees from any liabilities, claims, damages, losses, expenses, proceedings, actions, judgments, reasonable attorneys' fees, and court costs which the City suffers or its officers, agents or employees suffer, as a result of, or arising out of, the negligent or intentional acts or omissions of the Provider, its subcontractors, agents, and employees, in performance of this Agreement until such time as the applicable statutes of limitation expire. This section survives default, expiration, or termination of this Agreement or excuse of performance.

2.7. Safety

2.7.1. Obligation to Comply with Applicable Safety Rules and Standards. Provider shall ensure that it is familiar with all applicable safety and health standards promulgated by state and federal governmental authorities including, but not limited to, all applicable requirements of the Occupational Safety and Health Act of 1970, including all applicable standards published in 29 C.F.R. parts 1910, and 1926 and applicable occupational safety and health standards promulgated under the state of Nevada. Provider further recognizes that, while Provider is performing any work on behalf the City, under the terms of this Agreement, Provider agrees that it has the sole and exclusive responsibility to assure that its employees and the employees of its subcontractors comply at all times with all applicable safety and health standards as above-described and all applicable City safety and health rules.

2.7.2. Safety Equipment. Provider will supply all of its employees and subcontractors with the appropriate Safety equipment required for performing functions at the City facilities.

2.8. Miscellaneous.

2.8.1. Nevada and City Law. The laws of the State of Nevada and the North Las Vegas Municipal Code govern the validity, construction, performance and effect of this Agreement, without regard to conflicts of law.

2.8.2. Assignment. Any attempt to assign this Agreement by Provider without the prior written consent of the City shall be void. Any attempt to assign this Agreement by the City without the prior written consent of the Provider shall be void.

2.8.3. Non-Waiver. The failure to enforce or the delay in enforcement of any provision of this Agreement by a party hereto shall in no way be construed to be a waiver of such provision or right unless such party expressly waives such provision or right in writing.

2.8.4. Attorney's Fees. In the event any action is commenced by either party against the other in connection with this Agreement, the prevailing party shall be entitled to its costs and expenses, including reasonable attorneys' fees, as determined by the court, including without limitation, fees for the services of the City Attorney's Office. This Section 2.8.4. shall survive the completion of this Agreement until the applicable statutes of limitation expire.

2.8.5. Time of Essence. Time is of the essence in the performance of this Agreement and all terms, provisions, covenants and conditions hereof.

2.8.6. Effect of Agreement Termination. In the event this Agreement is terminated, all rights and obligations of the parties hereunder shall cease, other than indemnity obligations and matters that by their terms survive the termination hereof.

2.8.7. Fiscal Funding Out. The City reasonably believes that sufficient funds can be obtained to make all payments during the term of this Agreement. Pursuant to NRS Chapter 354, if the City does not allocate funds to continue the function performed by the Provider under this Agreement, this Agreement will be terminated when appropriate funds expire.

2.8.8. Public Record. Pursuant to NRS 239.010 and other applicable legal authority, each and every document provided to the City may be a "Public Record" open to inspection and copying by any person, except for those documents otherwise declared by law to be confidential. The City shall not be liable in any way to the Provider for the disclosure of any public record, including but not limited to documents provided to the City by the Provider. In the event the City is required to defend an action with regard to a public records request for documents submitted by the Provider, the Provider agrees to indemnify, hold harmless, and defend the City from all damages, costs, and expenses, including court costs and reasonable attorney's fees related to such public records request. This section shall survive the expiration or early termination of the Agreement.

2.8.9. Electronic Signatures. For purposes of this Agreement, the use of facsimile, email or other electronic medium shall have the same force and effect as original signatures.

2.8.10. Federal Funding. Provider certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, in receipt of a notice of proposed debarment or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.

2.8.11. Training. Provider shall provide, or shall cause a local TYMCO dealer to provide, at no cost and to the satisfaction of the City, airfare, hotel, lunch, dinner, and local transportation for training purposes to three individuals as designated by the City in Waco, Texas. The dates of the training will be as agreed by the parties. The training, at a minimum, shall include basic vehicle platform and maintenance procedures.

PROPOSER ASSURANCE OF COMPLIANCE

Proposal Affidavit Signature Page

PROPOSER'S AFFIDAVIT

The undersigned, authorized representative of the entity submitting the foregoing proposal (the "Proposer"), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to NJPA members agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.
2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of NJPA, or any person, firm, or corporation under contract with NJPA, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.
3. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted in writing and have been included with the Proposer's RFP response.
4. The Proposer will, if awarded a Contract, provide to NJPA Members the /products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.
5. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to NJPA Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to NJPA Members under an awarded Contract.
6. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
7. The Proposer understands that NJPA will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
8. The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify NJPA for reasonable measures that NJPA takes to uphold such a data designation.

[The rest of this page has been left intentionally blank. Signature page below]

By signing below, Proposer is acknowledging that he or she has read, understands, and agrees to comply with the terms and conditions specified above.

PROPOSER QUESTIONNAIRE

Payment Terms, Warranty, Products and Services, Pricing and Delivery, and Industry-Specific Questions

Proposer Name: TYMCO, Inc.

Questionnaire completed by: Bryan J. Young

Payment Terms and Financing Options

1) What are your payment terms (e.g., net 10, net 30)?

A. TYMCO's payment terms are net 30.

2) Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?

A. Yes. TYMCO provides lease purchase services for customers that are interested in using that method to help acquire a new sweeper.

3) Briefly describe your proposed order process. Please include enough detail to support your ability to report quarterly sales to NJPA. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the NJPA Members' purchase orders.

A. As the contract holder, we are going to request that all TYMCO dealers communicate with the TYMCO Marketing Department to request a quote be worked up for all NJPA Members. TYMCO would prefer to work up all quotes for NJPA Members. The role of a TYMCO dealer is to help provide NJPA Members the appropriate solution to address their sweeping need, and this will involve a discovery period where the dealer representative will identify the best TYMCO Sweeper to meet the needs of the customer. Depending on the application and geographic location of the NJPA Member, there may be an array of options that will be more appropriate for one customer over another. The TYMCO dealer will communicate this to the TYMCO Marketing Department who will work up a quote based on the NJPA contract pricing. The TYMCO dealer will also be responsible for providing in-service for the sweeper as well as providing product support for the NJPA Member throughout the life of the product. TYMCO will process a quarterly report of sales through the NJPA Cooperative Purchasing Program. Any order that we receive from using the NJPA Program will be included on the quarterly report that we will generate and submit to NJPA. Please see below for details and processes TYMCO will use in specific domiciles:

1. **States within the United States of America** - When an NJPA Member is ready to order a sweeper from TYMCO, our intent is for the NJPA Member to issue a purchase order directly to TYMCO for the product(s) they want to procure. TYMCO will then process the order and confirm the order back to the NJPA Member as well as the local TYMCO dealer to ensure that the unit being ordered is equipped how the customer would like the unit built. When the unit is complete, TYMCO will have it shipped to the local TYMCO dealer (unless otherwise specified by the local TYMCO dealer based on conversations with the NJPA Member). TYMCO will invoice the NJPA Member upon delivery which will start the net 30 payment schedule and TYMCO will accept payment in U.S. Dollars (USD). TYMCO will accept checks or wire transfer for funds. Upon receipt of payment, TYMCO will process the NJPA fee and have it remitted to NJPA.

2. **U.S. Territories** - When an NJPA Member is ready to order a sweeper from TYMCO, our intent is for the NJPA Member to issue a purchase order directly to TYMCO for the product(s) they want to procure. TYMCO will then process the order and confirm the order back to the customer to ensure that the unit being ordered is equipped how the customer would like the unit built. When the unit is complete, TYMCO will have it shipped to the customer (unless otherwise specified by the NJPA Member). TYMCO will invoice the NJPA Member upon delivery which will start the net 30 payment schedule and will accept payment in U.S.

Dollars (USD). TYMCO will accept checks or wire transfer for funds. Upon receipt of payment, TYMCO will process the NJPA fee and have it remitted to NJPA.

3. Canada - When receiving an order from a NJPA Member, our intent with NJPA is for the NJPA Member to issue a purchase order to our local dealer for the product(s) they want to procure. Our local dealer will then issue a purchase order to TYMCO, Inc. requesting the product(s) procured by the NJPA Member. TYMCO will then process the order and confirm the order back to the local dealer to ensure that the unit being ordered is equipped how the customer would like the unit built. When the unit is complete, TYMCO will have it shipped to the local TYMCO dealer (unless otherwise specified by the local TYMCO dealer based on conversations with the NJPA Member). The local TYMCO dealer will invoice the NJPA Member upon delivery which will start the net 30 payment schedule and will accept payment in U.S. Dollars (USD). Upon receipt of payment from the local TYMCO dealer, TYMCO will process the NJPA fee and have it remitted to NJPA.

4. Other International Domiciles - For other international domiciles that NJPA has members, when receiving an order from a customer, our intent with NJPA is for the NJPA Member to issue a purchase order to our local dealer for the product(s) they want to procure. Our local dealer will then issue a purchase order to TYMCO, Inc. requesting the product(s) procured by the NJPA Member. TYMCO will then process the order and confirm the order back to the local dealer to ensure that the unit being ordered is equipped how the customer would like the unit built. When the unit is complete, TYMCO will have it shipped to the local TYMCO dealer (unless otherwise specified by the local TYMCO dealer based on conversations with the NJPA Member). Generally speaking, for orders with customers in international locations, TYMCO requires a down payment in order to process the order and TYMCO requires the balance due prior to shipping the equipment from our manufacturing facilities in Waco, Texas. The payment scenario is going to depend on where the unit is going to be shipped. This will have to be evaluated by TYMCO on a case-by-case basis. The local TYMCO dealer will invoice the NJPA Member directly and will accept payment in U.S. Dollars (USD). Upon receipt of payment from the local TYMCO dealer, TYMCO will process the NJPA fee and have it remitted to NJPA.

4) Do you accept the P-card procurement and payment process? If so, is there any additional cost to NJPA Members for using this process?

A. Currently, we do not accept this process.

Warranty

5) Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may include in your response a copy of your warranties, but at a minimum please also answer the following questions.

- Do your warranties cover all products, parts, and labor?

A. Yes. There are 3 separate warranty classifications on TYMCO Sweepers that cover parts and labor. There is (1) warranty provided by TYMCO for the TYMCO Sweeper, there are multiple warranties for the truck chassis provided by the truck manufacturer (e.g. International or Freightliner) and there is (1) warranty on the auxiliary engine provided by the auxiliary engine manufacturer (e.g. John Deere or Kubota). The TYMCO Model 210h is a single engine parking lot sweeper and does not have an auxiliary engine therefore there is no warranty required for the auxiliary engine component.

1. TYMCO Sweeper - The warranty is provided by TYMCO through our dealer network.
2. Truck Chassis - This classification has multiple warranties. Some warranties are provided by the chassis manufacturer through their dealer network. Some major components on the truck chassis such as the engine and transmission have warranties provided by their authorized service centers (e.g. Cummins engines and Allison transmissions)
3. Auxiliary Engine - The warranty is provided by the engine manufacturer through their dealer network.

- Do your warranties impose usage restrictions or other limitations that adversely affect coverage?
A. There are no usage restrictions or limitations beyond the standard stated warranty for the TYMCO Sweeper, Truck Chassis or Auxiliary Engine (e.g. TYMCO Warranty is 1 year / 1000 hours; John Deere Warranty is 2 years / 2000 hours). Each individual warranty has stated exceptions for situations that would be considered negligence, but the warranties provided for the TYMCO Sweeper, Truck Chassis and Auxiliary Engine are designed to cover normal use of these components within a sweeper application.
 - Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?
A. No.
 - Are there any geographic regions of the United States for which you cannot provide a certified technician to perform warranty repairs? How will NJPA Members in these regions be provided service for warranty repair?
A. No.
 - Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?
A. As noted above, all items included with the TYMCO Sweeper are covered by TYMCO and their authorized dealer network with the exception of the truck chassis and auxiliary engine. The truck chassis is covered by the chassis original equipment manufacturer (OEM) and the auxiliary engine is covered by the engine OEM.
 - What are your proposed exchange and return programs and policies?
A. Regarding exchange and return programs and policies as related to warrantable parts on the TYMCO Sweeper, Truck Chassis or Auxiliary Engine: any warrantable claims need to be processed through the local TYMCO Sweeper dealer, local truck chassis dealer or local auxiliary engine dealer for the respective components that is being claimed in order to have the claim be processed and approved.
- 6) Describe any service contract options for the items included in your proposal.
A. TYMCO will not be including any service contract options in the proposal.

Pricing, Delivery, Audits, and Administrative Fee

- 7) Provide a general narrative description of the equipment/products and related services you are offering in your proposal.
- A. TYMCO is offering our entire product line in this proposal. We are offering the following base models with associated options:
1. **Model 210h** – Sweeper designed for parking lot sweeping. Single engine design delivers simplicity and lower maintenance.
 2. **Model 210** – Sweeper designed for parking lot sweeping. Dual engine design provides additional power for sweeping heavier material on a regular basis above just typical parking lot trash.
 3. **Model 435** – Mid-Sized street sweeper that can tackle smaller jobs with a lower overall cost but has the power to clean larger jobs such as light municipal street sweeping in downtown business districts or construction sweeping cleanups.
 4. **Model 500x** – Full-size multipurpose street sweeper with a variable height high side dump capability that allows the user to dump into multiple size containers or dump trucks. A sweeper that can high dump can provide operational efficiencies when coupled with a dump truck in remote areas from approved dump locations.
 5. **Model 600** – Full-size multipurpose street sweeper that is very cost effective and flexible due to the array of options available that modify this product to better fit the needs of each individual customer and how they are using it to sweep streets, runways or even clean catch basins using the hand hose and related accessories.
 6. **Model DST-4** – Mid-Size dustless street sweeper. This sweeper is equipped with the patented TYMCO Dustless Sweeping Technology – DST. DST enhances the Regenerative Air System and improves its ability to remove and capture the finest of ultrafine particulates measured in microns.

7. Model DST-6 - Full-size multipurpose street sweeper equipped with the patented TYMCO Dustless Sweeping Technology – DST. DST enhances the Regenerative Air System and improves its ability to remove and capture the finest of ultrafine particulates measured in microns.

8. Model HSP – The HSP – High Speed Performance – is a full-size street sweeper equipped with a patented pick-up head that offers the user the ability to sweep at 15 mph and up to 20 mph for faster cleanups on airport runways. On runways, it is important to keep them clean and clear of FOD (Foreign Object Debris) and the Model HSP can assist with this at a faster pace.

8) Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the NJPA discounted price) on all of the items that you want NJPA to consider as part of your RFP response. Provide a SKU for each item in your proposal. (Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract. See the body of the RFP and the Price and Product Change Request Form for more detail.)

A. The pricing model that TYMCO is using for this RFP is in the line-item price format for NJPA Members. The date on the price sheets will be effective until any price change request is made and accepted by NJPA when needed during the contract term. TYMCO has submitted pricing within Section / Tab 3 of our RFP submittal. TYMCO is offering a discount on all eight base sweeper models (sweeper body only; not including sweeper options or truck chassis) of approximately 5% off the Published Price – “Quantity of One”. TYMCO is offering sweeper options and truck chassis at net pricing without a discount. Below is the pricing matrix reflecting this discount for the base sweeper unit models offered by TYMCO in our RFP submittal within Section / Tab 3. For complete NJPA contract pricing for base sweeper models as well as published options and truck chassis, please see price sheets within Section / Tab 3 of our RFP submittal.

TYMCO Model	Published Price – “Quantity of One” <small>(Pricing for base sweeper model only; requires truck chassis be added and any applicable options listed in price sheets)</small>	NJPA Contract Price <small>(Pricing for base sweeper model only; requires truck chassis be added and any applicable options listed in price sheets)</small>
Model 210h	\$44,000	\$41,800
Model 210	\$52,500	\$49,875
Model 435	\$77,800	\$73,910
Model 500x	\$188,300	\$178,885
Model 600	\$137,600	\$129,720
Model DST-4	\$138,200	\$130,900
Model DST-6	\$203,600	\$193,420
Model HSP	\$144,400	\$137,180

9) Please quantify the discount range presented in this response. For example, indicate that the pricing in your response represents is a 50% percent discount from the MSRP or your published list.

A. The pricing presented in Section / Tab 3 of our RFP submittal is based on 2018 model pricing. TYMCO is offering a discount on all eight base sweeper models (sweeper body only; not including sweeper options or truck chassis) of approximately 5% off the Published Price – “Quantity of One”. TYMCO is offering sweeper options and truck chassis at net pricing without a discount. For additional detail on the discount being offered by TYMCO on the base sweeper models, see above Question #8 in Form P.

10) The pricing offered in this proposal is

- ☐ a. the same as the Proposer typically offers to an individual municipality, university, or school district.
- ☒ b. the same as the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.

- _____ c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
- _____ d. other than what the Proposer typically offers (please describe).

11) Describe any quantity or volume discounts or rebate programs that you offer.

A. TYMCO may entertain volume discounts and rebate programs and will follow the below approaches to these items:

1. Quantity / volume discounts – TYMCO will entertain a quantity / volume discount after it discusses this with the NJPA Member so TYMCO and the local TYMCO dealer understand how many units the Member wants to order. This discount will need to be agreed upon by both TYMCO and the local TYMCO dealer since the dealer will be responsible for providing service and support for any units ordered by an NJPA Member over the life of the contract.
2. Rebate Programs – TYMCO will entertain providing instant rebates to NJPA Members. These rebates could be in the form of a “close out” discount that can be shown as a line-item discount in the event that there are stock units that need to be moved or if TYMCO has a remaining new truck chassis that is last year’s model and TYMCO wants to provide an incentive to move this product. Rebates can also be in the form of a “special customer” discount. This would apply to specific circumstances or possibly if a customer is a “long-time / loyal” customer and TYMCO and the local dealer agree to provide a rebate for this reason.

12) Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.

A. We intend to use this provision to provide “Unpublished” options. We are submitting pricing for a group of “Published” options that are associated with each sweeper model that we are submitting. This pricing is located within Section / Tab 3 of our RFP response. The Published options that we are submitting are going to represent the majority of popular options that are grouped with each associated sweeper model. Unpublished options will be used to cover any additional options that an NJPA Member may want to add to their sweeper that are not covered under our primary model offerings or their associated published options.

The Published sweeper options / truck chassis that we are submitting will be presented in the same fashion as the primary sweeper models. TYMCO published options and truck chassis are bid in the line-item pricing format.

13) Identify any total cost of acquisition costs that are **NOT** included in the pricing submitted with your response. This cost includes all additional charges that are not directly identified as freight or shipping charges. For example, list costs for items like installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.

A. Below are items that would qualify as total cost of acquisition costs that will **NOT** be included in the pricing submitted with TYMCO’s response:

1. Shipping
2. PDI (Pre-Delivery Inspection) / Local Delivery
3. In-Service / Training
4. Sales Tax (if applicable)
5. License Fees / Title Fees / Registration Fees
6. Performance Bonds – As stated on page 25 under Section 7 of the RFP, (Post-Award Operating Issues), A. Subsequent Agreements, Item 7.5 Performance Bonds, at the request of a NJPA Member, TYMCO can quote a performance bond as required to that NJPA Member.
7. Trade Fees / Tariffs / Brokerage Fees

8. Additional Service / Warranty Programs – This would be reflected as additional services or extended warranties provided by the local TYMCO dealer, truck chassis dealer/manufacture or auxiliary engine dealer/manufacture.

9. Trade-In Units - This would be reflected as a reduction in price because TYMCO or the local TYMCO dealer would be receiving the trade-in unit as an asset as part of the transaction.

14) If delivery or shipping is an additional cost to the NJPA Member, describe in detail the complete shipping and delivery program.

A. Shipping – Unless otherwise specified by the local TYMCO dealer, shipping will be the approximate cost to ship the unit from the TYMCO manufacturing facility in Waco, Texas (FOB Waco, TX) to the local TYMCO dealer responsible for delivering the unit to the NJPA Member. In the Continental United States, TYMCO coordinates shipping for all of our dealers to their locations.

B. Local Delivery – Once the sweeper unit arrives at the local TYMCO dealer, there is additional cost that may be incurred to deliver the unit to the NJPA Member depending on the member's location in relationship to the local TYMCO dealer.

15) Specifically describe those shipping and delivery programs for Alaska, Hawaii, Canada, or any offshore delivery.

A. Alaska – TYMCO works with our local dealer in Alaska to coordinate shipping and delivery to end-user customers. The local dealer will direct TYMCO on timelines for when the truck will be in Waco to pick-up the sweeper as well as work with any brokers that are needed to cross through Canada.

B. Hawaii – TYMCO works with our local dealer in Hawaii to coordinate shipping and delivery to end-user customers. The local dealer will direct TYMCO on timelines for when the truck will be in Waco to pick-up the sweeper as well as work with any brokers that are needed to transport the unit at port.

C. Canada – TYMCO works with our local dealer in Canada to coordinate shipping and delivery to end-user customers. The local dealer will direct TYMCO on timelines for when the truck will be in Waco to pick-up the sweeper as well as work with any brokers that are needed to cross into Canada.

D. Offshore – Depending on the location, this process might vary, but TYMCO typically coordinates the shipping and delivery of units to offshore locations such as to Puerto Rico. We will coordinate all shipping and transport logistics to get the units to their final destination.

16) Describe any unique distribution and/or delivery methods or options offered in your proposal.

A. If there are any unique delivery methods or options that will be required by an NJPA Member during the duration of this contract, TYMCO will ensure that TYMCO, the local TYMCO dealer and the NJPA Member agree and understand why a unique delivery method or option would be of benefit to the NJPA Member if the process differs from the standard delivery process. For reference, the standard delivery process is that TYMCO in Waco, Texas will build the sweeper, ship the sweeper via flatbed truck to the local TYMCO dealer, then the local TYMCO dealer will deliver the sweeper to the NJPA Member location as directed by the customer. An example of how TYMCO, the local TYMCO dealer and an NJPA Member could work together to accomplish a unique delivery method would be working for expedited delivery for a sweeper in the event that a NJPA Member needs a sweeper faster due to a unique circumstance. We would do our best to accommodate the NJPA Member with their need.

17) Please specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with NJPA. This process includes ensuring that NJPA Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to NJPA.

A. TYMCO intends to announce and market the availability of the NJPA contract and that TYMCO Sweepers are available for NJPA Members to purchase. We are going to announce this to our dealer network. When we do, we are going to outline the process that we would like for the dealer network to follow which includes requesting that all quotes be generated by TYMCO to ensure that we are meeting the standards put forth by NJPA as well as that pricing is

delivered in accordance with our bid submission. TYMCO will be able to verify the appropriate fee amount that needs to be remitted to NJPA because we will use a TYMCO-generated quote form that will calculate the NJPA fee based on the format outlined in Question #18 within Form P. TYMCO will use our quote forms to verify that the appropriate fee amount is recorded in our quarterly sales report for submission to NJPA. TYMCO Marketing will also use this information to forward to the TYMCO Accounting Department to process the administrative fee to NJPA once TYMCO is funded by the NJPA Member or in the case of Canadian orders, the local TYMCO dealer.

- 18) Identify a proposed administrative fee that you will pay to NJPA for facilitating, managing, and promoting the NJPA Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See RFP Section 6.29 and following for details.)

A. TYMCO will be paying the recommended 2% administration fee for this type of equipment as stated in RFP #122017. TYMCO will calculate the total fee to be paid to NJPA by adding 2% of the base sweeper model cost with all purchased "published" and "unpublished" options elected by the NJPA Member. TYMCO will exclude any "total cost of acquisition cost" items that are outlined on Form P – Proposer Questionnaire – Item #13 (including shipping and local delivery).

Industry-Specific Questions

- 19) Describe the top three market differentiators of your products/services relative to the industry.

A. See below:

1. **Originator of Regenerative Air technology** – TYMCO invented Regenerative Air technology and because that is the only technology that we use across all models of the sweepers we build, we focus on improving performance, ease of maintenance and durability for our customers. TYMCO is also the only sweeper manufacturer that manufactures multiple models of sweepers for different applications all based on Regenerative Air.
2. **Dustless Sweeping Technology** – This is a patented technology product that TYMCO has refined through the years and performs very highly in applications where controlling and removing ultrafine particulates is of highest importance.
3. **Multiple Applications can all be served using Regenerative Air technology** – For customers that understand Regenerative Air and want the benefits that the technology can provide but they need sweepers for multiple applications such as an airport, then that entity can purchase a Model 210 parking lot sweeper (for sweeping parking garages), a Model 435 mid-sized street sweeper for sweeping internal airport roads and a Model 600 HSP for sweeping the airport runways. This gives the airport in this example a complete solution of sweeping all using Regenerative Air technology.

- 20) Identify how your products, services and supplies address the scope of this RFP.

A. This RFP scope is identified by the title "SEWER VACUUM, HYDRO-EXCAVATION, AND STREET SWEEPER EQUIPMENT, WITH RELATED ACCESSORIES AND SUPPLIES". TYMCO manufactures multiple models of street sweepers that fit different niche applications for more specific needs and solutions, but as a general term, can all be identified as "street sweepers". TYMCO also manufactures and provide options and accessories that complement our full line of sweepers.

FORM E
CONTRACT ACCEPTANCE AND AWARD

(Top portion of this form will be completed by NJPA if the vendor is awarded a contract. The vendor should complete the vendor authorized signatures as part of the RFP response.)

NJPA Contract #: 122017-TYM

Proposer's full legal name: TYMCO, Inc.

Based on NJPA's evaluation of your proposal, you have been awarded a contract. As an awarded vendor, you agree to provide the products and services contained in your proposal and to meet all of the terms and conditions set forth in this RFP, in any amendments to this RFP, and in any exceptions that are accepted by NJPA.

The effective date of the Contract will be February 20, 2018 and will expire on February 20, 2022 (no later than the later of four years from the expiration date of the currently awarded contract or four years from the date that the NJPA Chief Procurement Officer awards the Contract). This Contract may be extended for a fifth year at NJPA's discretion.

NJPA Contract # 122017-TYM

Letter of Agreement To Extend the Contract

Between

TYMCO, Inc.
225 E. Industrial Blvd.
Waco, TX 76705

And

Sourcwell
202 12th Street NE
Staples, MN 56479
Phone: (218) 894-1930

The Vendor and Sourcwell have entered into an Agreement (Contract #122017-TYM) for the procurement of Sewer Vacuum, Hydro-Excavation, and Street Sweeper Equipment with Related Accessories and Supplies. This Agreement has an expiration date of February 20, 2022, but the parties may extend the Agreement for one additional year by mutual consent.

The parties acknowledge that extending the Agreement for another year benefits the Vendor, Sourcwell and Sourcwell's members. The Vendor and Sourcwell therefore agree to extend the Agreement listed above for a fifth year. This existing Agreement will terminate on February 20, 2023. All other terms and conditions of the Agreement remain in force.

TYMCO #122017-TYM

Pricing for contract #122017-TYM is provided at 5% off published price on sweeper bodies only (not including sweeper options or truck chassis) to Sourcewell participating agencies.

TYMCO may entertain volume discounts and rebate programs and will follow the below approaches to these items:

- Quantity/volume discounts – TYMCO will entertain a quantity/volume discount after if discusses this with the Sourcewell participating agency so TYMCO and the local TYMCO dealer understand how many units the agency wants to order. This discount will need to be agreed upon by both TYMCO and the local TYMCO dealer since the dealer will be responsible for providing service and support for any units ordered by a Sourcewell participating agency over the life of the contract.
- Rebate Programs – TYMCO will entertain providing instant rebates to Sourcewell participating agencies. These rebates could be in the form of a “close-out” discount that can be shown as a line-item discount in the event that there are stock units that need to be moved or if TYMCO has a remaining new truck chassis that is last year’s model and TYMCO wants to provide an incentive to move this product. Rebates can also be in the form of a “special customer” discount. This would apply to specific circumstances or possibly if a customer is a “long time/loyal” customer and TYMCO and the local dealer agree to provide a rebate for this reason.

MODEL 600® SWEEPER STANDARD EQUIPMENT

Auxiliary Engine: John Deere diesel turbocharged 4045T Final Tier 4; 4 cylinder; 4.5 L (275 CID); 99 HP @ 2200 RPM; Torque 315 ft. lb. @ 1600 RPM; fuel/water separator, fuel filter; Donaldson PowerCore® air filter with scavenged pre-filter; Remote oil filter; 3.8 useable gallon Diesel Exhaust Fluid (DEF) tank. Includes John Deere Standard Warranty coverage 2

Amber Beacon Light - LED: SAE Class 1/California Title 13 compliant with protective limb guard.

Auxiliary Engine In-Cab Air Filter Restriction Indicator with Gauge: A filter restriction gauge included on the in-cab BlueLogic display with an audio and visual high restriction indicator.

Auxiliary Engine Protection System: Engine ECU to provide automatic engine monitoring with derate or shutdown when engine problem is detected such as high coolant temperature or low oil pressure.

Auxiliary Fuse Panel: A 12V DC fused power source panel for any needed additional electrical components or accessories, i.e. radios, warning lights, controls, etc.

Back-Up Alarm: ECCO Model 510; SAE Type C 97dB

BlueLogic® Control System: Multiplexed electrical system includes hardware and TYMCO designed software that integrates the in-cab controls to the auxiliary engine and all sweeper functions; as well as provides intelligent safety features. The BlueLogic Control System provides sweeper and auxiliary engine data to the operator through the touchscreen display and the multiplexed switch pack. The display is pedestal mounted for improved visibility and includes hour meters (Trip and Total) for the auxiliary engine, gutter brooms, pick-up head, blower, water pump, and BAH broom if applicable; sweeper odometer (records curb miles swept and sweeping hours), service reminders, custom reminders, overspeed warning, low water audible alarm, dust control system winterization guide and On-Board Diagnostics (OBD) for the auxiliary engine and sweeper.

Duo Skids: Warranted for 2 Years / 2000 hours prorated

Dust Control System: 220 gallon capacity polyethylene water tank (Extra Water capacities available); 5 gpm electric diaphragm type pump; low water audible alarm and message on BlueLogic display; external water level indicator; spray nozzles around pick-up head, gutter broom(s) and inside hopper. Peterbilt 156", Autocar 152" Diesel and Autocar 171" CNG chassis REQUIRES Extra Water Capacity (Refer to Dust Control Options Section).

Gutter Brooms, Twin; LED Floodlights and Parabolic Mirrors: Left and right side mounted 43" diameter wire filled digger type; adjustable LED floodlight for each gutter broom; 10.5" parabolic mirrors. Parabolic Mirrors N/A with Cabover Chassis.

High Capacity Dust Separator

Hydraulic System Protection: Hydraulic filter restriction indicator mounted in filter manifold; sight level gauge mounted on tank. BlueLogic control system continually monitors oil temperature.

LED Alternating Warning Light Set: Rear mounted oval lights (2).

LED Stop/Turn/Tail/Clearance Lights

Pressure Bleeder: Air pressure is deflected out, allowing additional suction across the front of pick-up head.

Rear Mounted LED Floodlights (2)

Rear View Camera System: 3rd Eye®, heavy duty rear infrared camera with 7" color monitor mounted in cab

Reverse Pick-Up Head System: Assists in backing up with Pick-Up Head down

Rubber Lined Blower: Warranty: 1 year / 1,000 hours prorated

Water Fill Hose & Rack: Flexible 20 foot long water tank fill hose with 2-1/2 inch hydrant coupling with rack mount. System incorporates air gap.

Work Platform: Easily accessible work platform located between truck cab and sweeper. Standard equipment with conventional chassis with 165" WB and horizontal exhaust. Not available with Extra Water Capacity or Chassis Vertical Exhaust.

Sweeper Warranty: 1 Year / 1000 Hours. Contact factory for details.
