4.1. Provider shall procure and maintain, and shall cause each subcontractor, principal or agent to procure and maintain at all times the following insurance coverage for all work related to the performance of this Agreement:

4.1.1. Workers' Compensation Insurance as required by the applicable legal requirements, covering all persons employed in connection with the matters contemplated

hereunder and with respect to whom death or injury claims could be asserted against the City or Provider.

4.1.2. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than \$2,000,000.00 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 05 09 or 25 04 05 09) or the general aggregate limit shall be twice the required occurrence limit.

4.1.3. Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Provider has no owned autos, covering hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000.00 per accident for bodily injury and property damage.

4.1.4. Cyber Liability Insurance, with limits not less than \$1,000,000 per occurrence or claim, \$1,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Vendor in this agreement and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, the release of private information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

4.1.5 Property Installation Floater covering property damage to any equipment damaged, impaired, broken, or destroyed during the performance of the Work, including during transit, installation, and testing at the City's site.

4.1.6. Requested Liability limits can be provided on a single policy or combination of primary and umbrella, so long as the single occurrence limit is met.

4.2 The insurance policies are to contain, or be endorsed to contain, the following provisions:

4.2.1. Additional Insured Status: The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Provider including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Provider's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used).

4.2.2. Primary Coverage: For any claims related to this contract, the Provider's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01

04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Provider's insurance and shall not contribute with it.

4.2.3. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

4.2.4. Waiver of Subrogation: Provider hereby grants to the City a waiver of any right to subrogation which any insurer of said Provider may acquire against the City by virtue of the payment of any loss under such insurance. Provider agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

4.2.5. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Provider, its employees, agents, and subcontractors.

4.2.6. Self-Insured Retentions: Self-insured retentions must be declared to and approved by the City. The City may require the Provider to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

4.2.7. Acceptability of Insurers: Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

4.3. Claims Made Policies: If any of the required policies provide claims-made coverage:

4.3.1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.

4.3.2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

4.3.3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Provider must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

4.4. Verification of Coverage: Provider shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Provider's obligation to provide them. The City reserves the right to

require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

4.5. Special Risks or Circumstances: The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

SECTION FIVE INDEPENDENT CONTRACTOR

Provider, its employees, subcontractors, and agents are independent contractors and not employees of the City. No approval by City shall be construed as making the City responsible for the manner in which Provider performs the Services or for any negligence, errors, or omissions of Provider, its employees, subcontractors, or agents. All City approvals are intended only to provide the City the right to satisfy itself with the quality of the Services performed by Provider. The City acknowledges and agrees that Provider retains the right to contract with other persons in the course and operation of Provider's business and this Agreement does not restrict Provider's ability to so contract.

SECTION SIX INDEMNIFICATION

Notwithstanding any of the insurance requirements or limits of liability set forth herein, the Provider shall defend, protect, indemnify, and hold harmless the City, and its officers, agents, and employees, from any liabilities, claims, damages, losses, expenses, proceedings, suits, actions, decrees, judgments, reasonable attorneys' fees, and court costs which the City suffers, and/or its officers, agents or employees suffer, as a result of, or arising out of, the negligent or intentional acts or omissions of the Provider, its agents, and employees, or anyone employed by any of them, in fulfillment or performance of the terms, conditions or covenants of this Agreement including, without limitation, compliance with the terms of Exhibit A. This Section Six shall survive the completion of the Project, if applicable, and the termination or expiration of this Agreement until such time as the applicable statutes of limitation expire.

SECTION SEVEN CONFIDENTIALITY AND AUTHORIZATION FOR ACCESS TO CONFIDENTIAL INFORMATION

7.1. Provider shall treat all information relating to the Services and all information supplied to Provider by the City as confidential and proprietary information of the City and shall not permit its release by Provider's employees, agents, or subcontractors to other parties or make any public announcement or release thereof without the City's prior written consent, except as permitted by law.

7.2. Provider hereby certifies that it has conducted, procured or reviewed a background check with respect to each employee, agent, or subcontractor of Provider having access to City personnel, data, information, personal property, or real property and has deemed such employee,

agent, or subcontractor suitable to receive such information and/or access, and to perform Provider's duties set forth in this Agreement. The City reserves the right to refuse to allow any of Provider's employees, agents or subcontractors access to the City's personnel, data, information, personal property, or real property where such individual does not meet the City's background and security requirements, as determined by the City in its sole discretion.

SECTION EIGHT TERMINATION

The City may terminate this Agreement at any time with or without cause upon notice to the Provider, and the City shall have no liability to the Provider for such termination except that the City shall pay the Provider for the reasonable value of the Products provided and installed by the Provider to City up through and including the date of termination, provided that the Provider, within thirty (30) days following the date of the City's termination notice, submits an invoice for such Products in a form reasonably acceptable to the City and such invoice is supplemented by such underlying source documentation as is reasonably requested by the City.

SECTION NINE NOTICES

9.1. The parties to this Agreement consent to the jurisdiction of any court of competent jurisdiction in Clark County, Nevada to adjudicate any dispute related to this Agreement or actions to enforce or interpret the terms of this Agreement.

11.2. Assignment. Any attempt to assign this Agreement by the Provider without the prior written consent of the City shall be void.

11.3. Non-Waiver. The failure to enforce or the delay in enforcement of any provision of this Agreement by a party shall in no way be construed to be a waiver of such provision or right unless such party expressly waives such provision or right in writing.

11.6. Attorneys' Fees. In the event any action is commenced by either party against the other in connection with this Agreement, the prevailing party shall be entitled to its costs and expenses, including reasonable attorneys' fees, as determined by the court, including without limitation, fees for the services of the City Attorney's Office. This Section 11.6 shall survive the completion of this Agreement until the applicable statutes of limitation expire.

Shipments rejected due to Provider error will be returned solely at Provider's cost.

11.10. Inspection. An authorized representative of the City will inspect the Products at time of delivery. If deficiencies are detected, the Products may be rejected and the Provider will be required to make necessary repairs, corrections, or replacements. Payment and/or commencement of a discount period will not be made until the corrective action is made, the Products are re-inspected, and accepted.

11.11. Further Assurances. The Provider shall execute and deliver all such documents and perform such acts as are reasonably requested by the City to complete its obligations under this Agreement.

11.12. Effect of Agreement Termination. In the event this Agreement is terminated, all rights and obligations of the parties hereunder shall cease, other than indemnity obligations, and matters that by their terms survive the termination hereof.

11.13. Fiscal Funding Out. The City reasonably believes that sufficient funds can be obtained to make all payments during the term of this Agreement. Pursuant to NRS Chapter 354, if the City does not allocate funds to continue the function performed by the Provider under this Agreement, this Agreement will be terminated when appropriated funds expire.

11.14. Public Record. Pursuant to NRS 239.010 and other applicable legal authority, each and every document provided to the City may be a “Public Record” open to inspection and copying by any person, except for those documents otherwise declared by law to be confidential. The City shall not be liable in any way to the Provider for the disclosure of any public record, including but not limited to documents provided to the City by the Provider. In the event the City is required to defend an action with regard to a public records request for documents submitted by the Provider, the Provider agrees to indemnify, hold harmless, and defend the City from all damages, costs, and expenses, including court costs and reasonable attorney’s fees related to such public records request. This section 11.14 shall survive the expiration or early termination of the Agreement.
