STAFF COMMENTS AND BACKGROUND INFORMATION:

The Arterial Roadway Rehabilitation Program consists of pavement rehabilitation strategies for aging arterial roadways in North Las Vegas. The project primarily consists of construction to widen Tropical Parkway at Walnut Road and install drainage improvements to address ponding issues within and adjacent to the intersection. Improvements will include; asphalt removal and replacement, drop inlet and storm drain lateral installation, underground infrastructure for the future signal installation, bus turnout construction, and related improvements.

Four bids were received at the bid opening held on June 13, 2023, as detailed on the attached Bid Abstract. The lowest bid was submitted by TAND, Inc., who is properly licensed and qualified to perform the work. The project is required to be completed within ninety (150) consecutive calendar days following the issuance of the Notice-to-Proceed.
