**STAFF COMMENTS AND BACKGROUND INFORMATION:**

Fleet Operations is requesting approval to purchase parts and supplies through Silver State Ford DBA Gaudin Ford, to provide maintenance parts for and/or repair services to vehicles within the fleet.

This agreement allows Fleet Operations to receive government approved pricing through Sourcewell, RFP #101520. Fleet Operations establishes a budget for parts supplies and services each fiscal year. The funding utilized in this agreement has already been set aside and spending patterns for multiple years support these costs.

Pursuant to NRS 332.195(1)(c), this agreement is using Sourcewell RFP #101520 as an exception to the competitive bidding process.
