

City Council Regular Meeting AGENDA ITEM

NUMBER: 30

SUBJECT:

Ordinance No. 3180; An Ordinance of the North Las Vegas City Council Amending Ordinance No. 2770 By Amending Chapter 13.24 of the North Las Vegas Municipal Code to Add Definitions for Chemical Toilet Waste and Septage and to Impose Fees on the Hauling of Chemical Toilet Waste and Septage and Providing for Other Matters Properly Related Thereto. (Citywide) (Set Final Action for September 6, 2023)

REQUESTED BY:

Tom Brady, Director of Utilities

WARD:

Citywide

RECOMMENDATION OR RECOMMEND MOTION:

It is recommended that City Council introduce Ordinance No. 3180 on August 16, 2023 and that City Council pass and adopt Ordinance No 3180 on September 6, 2023.

FISCAL IMPACT:

ACCOUNT NUMBER:

N/A

STAFF COMMENTS AND BACKGROUND INFORMATION:

Ordinance No. 3180 amends Title 13 of the North Las Vegas Municipal Code (NLVMC) by adding provisions to Chapter 13.24 that provide a new service for a septage and chemical toilet waste station. The intent of the proposed ordinance is to provide existing and future customers in the Apex Industrial Park a disposal location for hauled domestic septage or chemical waste. Currently, the closest septage dump station is at the Clark County Reclamation Facility, which is at full capacity and cannot receive any additional customers.

The cost to discharge hauled septage or chemical toilet waste shall be at the per gallon rate of \$0.06 per gallon as detailed in Section 13.24.080 and as updated annually on the City's website. The charges shall be based on the volume discharged from the hauler's permitted vehicle. A non-refundable annual inspection processing fee of seventy-five dollars (\$75.00) for each vehicle shall accompany each application to discharge hauled septage or chemical toilet waste and such fee is due by January 1st each year.
