The Planning Commission in attendance unanimously (5-0 vote) approved ZOA-04-2022 at their meeting on September 14, 2022. Commissioners Justin Berrett and Marissa Guymon were absent.

The City is proposing some amendments to Title 17, the Zoning Code, to help support the Southern Nevada Water Authority's commitment to reducing water use throughout the Las Vegas Valley. The two proposed changes to the Zoning Ordinance will reduce landscaped turf areas within the City and eliminate the development of new golf courses.
