STAFF COMMENTS AND BACKGROUND INFORMATION:

The City of North Las Vegas responds to bio-hazardous waste clean-up on designated areas throughout the City. The City has a services contract with Logistical Solutions for these services until FY25. Logistical Solutions announced a 15% rate increase across the entirety of the contract due to cost of supplies, vehicles, and waste disposal facilities. The total annual increase will be \$14,850.00. This increase is consistent with increases across the market.

Staff recommends that City Council approve this amendment.
