STAFF COMMENTS AND BACKGROUND INFORMATION:

The Agreement is a result of the Homelessness Intervention Proposal introduced by the Southern Nevada Regional Planning Coalition to address the needs of homeless persons in the area. City Council has approved similar homeless-related interlocal agreements previously in each fiscal year since 2004. The Agreement requires Clark County and Cities to share funding based on a population formula to pay for the annual homeless census and evaluation to count the areas' homeless persons. Since it was established several years ago, the collaboration has been very successful and is being used nationally as an example of a best practice.

The Agreement is for the fiscal year July 1, 2022 through June 30, 2023, and specifies the funding requirements for the participating municipalities. The total joint regional commitment for homeless census and evaluation remains the same for the previous fiscal year. Each jurisdiction is currently in the process of approving the Agreement with their respective Councils. Staff recommends approval of the Agreement. The item has been approved as to form by the City Attorney's office.
